Emergency Plan: Baseball Field

This plan will be activated if there is a potential life-threatening injury or illness including but not limited to; threat to cardiorespiratory system, brain, spine, or potential for permanent disability

Emergency Personnel: Supervising Coach Certified, Certified Athletic Trainer(s) and Athletic Training Student(s) on site for practice and competition.

Emergency Communication: Cell phone communication with Pershing Athletic Training Facility (660-785-6055), Kennels Athletic Training Facility (660-785-4172), and Truman Public Safety (911). A Truman Public Safety Phone is located west of Campbell Apartments.

Emergency Equipment: Supplies (cervical neck collars, splint kit, AED, and spineboard) maintained in Pershing Athletic Training Facility.

Roles of Immediate Care Providers (Athletic Trainers, Coaches, Athletes)

1. Activation of emergency medical system (EMS)
   a. Notify the emergency center at 911
   b. Provide name, location, telephone number, number of injured individuals, severity of injured, first aid treatment needed/provided.
   c. Direct EMS to the scene

2. Retrieve Emergency Equipment

3. Immediate care of injured or ill student-athlete

4. Make scene accessible to EMS
   a. Open appropriate gates
   b. Designate individual to “flag down” EMS and direct to scene
   c. Control injury scene: limit scene to first aid providers, keep bystanders away from area.

Venue Directions: Baseball venue is located on the west side of Florence Street just north of La Harpe Street, the rescue team should turn south into the parking lot off Stadium Drive into the General parking lot, where there is access to a large gate in the right field corner of the baseball field. There is a ramp at the south end of the parking lot near the batting cages for easy access to the gate. The other option is for EMS to drive between the baseball and softball fields to the gate next to the dugout on the first baseline.

Plans revised 07/10/2009
