Emergency Plan: Softball Field

This plan will be activated if there is a potential life-threatening injury or illness including but not limited to; threat to cardiorespiratory system, brain, spine, or potential for permanent disability.

Emergency Personnel: Supervising Coach, Certified Athletic Trainer(s) and Athletic Training Student(s) on site for practice and competition.

Emergency Communication: Cell phone communication with Pershing Athletic Training Facility (660-785-6055), Kennels Athletic Training Facility (660-785-4172), and Truman Public Safety (911). A Truman Department of Public Safety Emergency Phones is located west of Stokes Stadium grandstand and west of Campbell Apartments. Fixed telephone line at Kennels Athletic Training Facility (660-785-4172).

Emergency Equipment: Supplies (splint kit, spineboard, cervical collars, AED) maintained in Pershing Athletic Training Facility.

Roles of Immediate Care Providers (Athletic Trainers, Coaches, Athletes):
1. Activation of emergency medical system (EMS)
   a. Notify the emergency center at 911
   b. Provide name, location, telephone number, number of injured individuals, severity of injured, first aid treatment needed/provided.
   c. Direct EMS to the scene
2. Retrieve Emergency Equipment
3. Immediate care of injured or ill student-athlete
4. Make scene accessible to EMS
   a. open appropriate gates
   b. designate individual to “flag down” EMS and direct to scene
   c. control injury scene: limit scene to first aid providers, keep bystanders away from area.

Venue Directions: Softball venue is located on the corner of Stadium Drive and Florence Street. EMS should take Business 63 south and turn east on to Stadium Drive. Turn right into the Parking Lot west of the softball field. There is a ramp at the south end of the parking lot near the batting cages for easy access to the field. Drive between the baseball and softball field. EMS should enter the field from the gate in the right field corner or the gate next to the dugout on the first base side.
