Emergency Plan: Stokes Stadium (football, track)

This plan will be activated if there is a potential life-threatening injury or illness including but not limited to; threat to cardiorespiratory system, brain, spine, or potential for permanent disability

**Emergency Personnel:** Supervising coach, Certified Athletic Trainer(s) and Athletic Training Student(s) on site for practice and competition; Team Physician on site for competition.

**Emergency Communication:** Cell phone communication with Kennels Athletic Training Facility (660-785-4172), Pershing Athletic Training Facility (660-785-6055) and Truman Public Safety (911). Fixed telephone line in Kennels Athletic Training Facility (660-785-4172). A Truman Public Safety emergency phone is located west of the track in the parking lot, and west of the south grandstands of the stadium.

**Emergency Equipment:** Supplies on site for practice and competition (spineboard, splint kit, cervical neck collars, trainer’s angel). AED located in Kennels Athletic Training Facility.

**Role of Immediate Care Providers (Athletic Trainers, Coaches, and Athletes):**

1. Activation of emergency medical system (EMS)
   a. Notify the emergency center at 911
   b. Provide name, location, telephone number, number of injured individuals, severity of injured, first aid treatment needed/provided.
   c. Direct EMS to the scene
2. Retrieve Emergency Equipment
3. Immediate care of injured or ill student-athlete
4. Make scene accessible to EMS
   a. open appropriate gates
   b. designate individual to “flag down” EMS and direct to scene
   c. control injury scene: limit scene to first aid providers, keep bystanders away from area.

**Venue Directions:** Stokes Stadium is located east of Franklin Street (also known as Business 63) on Stadium Drive. Drive South on Franklin (business 63). Turn east on Stadium Drive. Turn north into the parking area. The rescue vehicle should enter through the southwest gate by the visitor’s locker room.
